

1.10 Supervision of children on outings and visits

- We ask parents to sign a general consent on their child's registration form for their child to be taken on local short outings as part of the daily activities of the setting.
- We carry out a risk assessment for each local venue used for regular activities.
- We ask for specific consent for major outings.
- All risk assessments are available for parents to see.
- Our adult to child ratio will be higher than it is in the setting.
- Records of the outing will be kept.
- A mobile phone and emergency contact details for both staff and children, first aid supplies, spare clothes, and drinks will be taken on outings. We ask for sun cream to be applied before the children arrive at nursery.
